Well, I am going for school council so that our school is very fun for everyone.

What I was going to do if I am school council:

First I would like to help with the Year 5 and six lunchtime because at the moment it is kinda unfair, right? So I plan to take turns in which class goes first so one day it goes Year 5, year six, year five. Next it goes in a different order to make it fair.

Also, I think it is time for some fundraisers so we can have fun and the charity we donate to has a good time. I know we also like school bake sales. After school where we make, buy and eat cakes.

One more thing I would like to discuss with the school council is about getting another chicken for the school because last time we had one everyone had fun. Also, the year one might want to see a chicken in the playground.

So, I plan to make this all possible if you vote for me. I will try to consider your ideas for school.
