

English

In English we will be using *Fly, Eagle, Fly!* retold by Christopher Gregorowski as a stimulus.

In Reading Workshop we will have a focus on poetry, using *Stars with Flaming Tails* by Valerie Bloom.

French

Our French lessons this term will revise food vocabulary and learn the days of the week.

Geography

In Geography, we will be learning about fossil fuels and other forms of energy production. We will learn about some of the human issues surrounding these and their physical location and impact.

Energy

Computing

We will become familiar with the terms 'text' and 'images' and understand that they can be used to communicate messages. We will use desktop publishing software and consider careful choices of font size, colour and type to edit and improve premade documents.

PE

In our outdoor PE lessons we will be learning and practising the skills relating to tennis. In our indoor PE lessons, we will develop and apply their reaction and response and floor work balance through focused skill development sessions, healthy competition, cooperative games and Personal Best challenges.

Art & Design

We will have an art focus this term. We will be developing our skills with printing.

Maths

We will be finishing work on mass & capacity, and then revisit fractions before focusing on time and money.

Music

As in previous terms, we are very fortunate to be having weekly violin lessons.

RE

Our Big Question this term is 'Does Jesus have authority for everyone?'

Science

This term the children will learn what each part of a plant does and learn about different methods of seed dispersal.

PSHCE

We will continue to have a weekly circle time. These will focus on how to recognise our own feelings and how these are communicated through our behaviour.
