

English

We will focus our learning on *Planet Omar* by Zanib Mian, culminating in creating newspapers and our own narrative writing.

In Reading Workshop we will continue reading *The Dragon's Child* by Jenny Nimmo.

French

We will be revising what we have learnt so far (foods, days of the week, months of the year and numbers 1-20), with an emphasis on responding to simple questions.

DT

In DT we will be considering the Earth's resources and creating impactful messages about recycling and reducing waste by creating posters out of recycled card with movement to add interest and grab the reader's attention

PE

In our outdoor PE lessons we will be learning and practising a variety of **athletics** skills. In our indoor PE lessons, we will develop and apply skills around ball chasing and stance through focused skill development sessions, healthy competition, cooperative games and Personal Best challenges.

Maths

We will be continuing with time, before moving on to shapes and statistics.

Music

As in previous terms, we are very fortunate to be having weekly violin lessons. We will also be giving a performance of our skills.

Computing

We will explore the links between events and actions, whilst consolidating prior learning relating to sequencing. We will introduce programming extensions, through the use of pen blocks. The unit concludes with learners designing and coding their own maze tracing program.

Healthy Me!

Science

This term the children will be learning all about the muscles and bones within our bodies. Alongside this, the children will also learn about nutrition and how to keep healthy.

RE

Our Big Question this term is *Can made-up stories tell the truth?*

PSHCE

We will continue to have a weekly circle time. These will focus on how to recognise our own feelings and how these are communicated through our behaviour.
