

St Andrew's C of E Primary School 15th May

Everyone is different. Everyone is special. Everyone is our neighbour.

Year 6 have shown great maturity, focus and a desire to 'be the best they can be' with their SATs this week. We are really proud of the way they have conducted themselves during the tests. They will be celebrating the completion of their SATs at the park on Friday afternoon. We are grateful to the governors who came in to support the invigilation and to Kelly (the cook) for the delicious flapjacks she provided them to give them a daily boost (along with bananas).

This week has also seen staff rise to the challenge of the whole week of no internet, phone lines or internal lines between computers and printers! It is a testament to their adaptability and flexibility as everyone found alternative ways to ensure that teaching and learning was still at its best and school remained open!

We have also have ex-students back with us for the week for their work experience. It is always special to welcome ex-pupils back, see how they have developed and grown but still have a sense of belonging to the St Andrew's school community.

The school week is ending with Year 2 proudly sharing their learning with their adults in our Friday celebration assembly.

STOP PRESS...

*Due to the predicted heavy rainstorms on Sunday, **Fun Run is POSTPONED until Sunday 7th June** (same times in the day).*

Award for Mrs Arnold

We are so proud to share that **Mrs Arnold won a prize at the inaugural Chairman's Ball: The Taylor Award for Inclusion**

This is what the prize was for:

Annie volunteers her time to support our pan-disability team, The Casuals, every Sunday without fail. Annie brings her vast experience as a primary school teacher, to support children with a wide range of additional needs. She has built positive relationships with the players, families and carers and is a friendly face to newcomers and visiting teams. Annie helps to make the Casuals such a success across the county and within the BOBi League and we would be lost without her.

I'm sure you will celebrate with us that whilst Mrs Arnold gives so much to teach, support and care for your children in Reception, she is also giving of her time in the wider community. What an incredible way to live out our school values and vision!

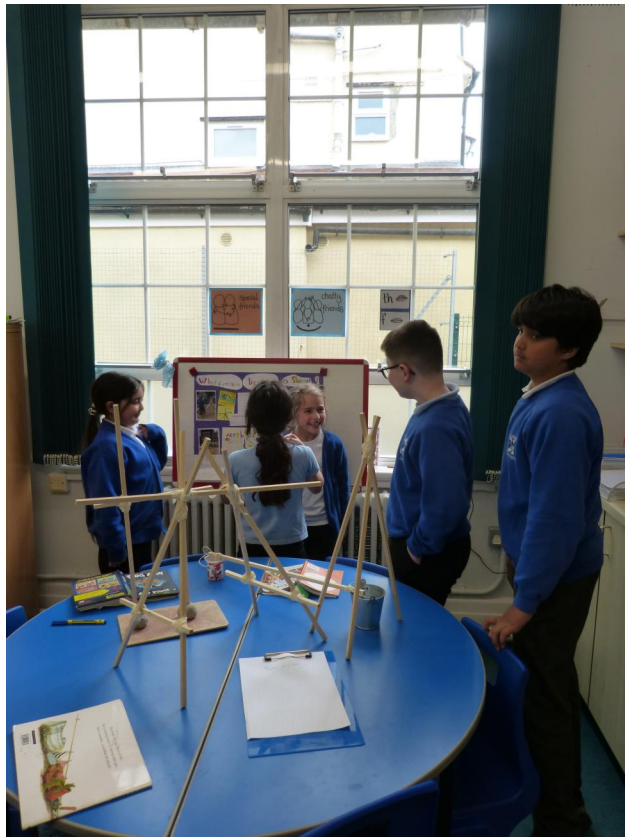

Year 3 geography workshop and Big Science

On Tuesday, Year 3 had visitors from Science Oxford who led a practical 'Water Wheels'. This workshop involved the children designing, building and testing a 'water wheel', inspired by their learning on hydro-power and other renewable energy sources during geography lessons this term.

In addition, Year 3 also presented their Big Science projects, firstly to Year 6 and then to their adults. Our Year 3 scientists had conducted a wide range of experiments to explore their questions and had drawn their conclusions from the results they gained. What a lot of fascinating investigations!

Year 4 Hill End residential

On Wednesday, Year 4 headed off for their 2-night residential at Hill End. They have had a wonderful time exploring and learning about different habitats and developing their survival skills in den building and fire lighting. Joining them for their second night, I was impressed by their incredible listening skills around the camp fire (and then making 's'mores) and their energy and enthusiasm in wide games. This morning, after a good night's sleep and a huge breakfast, they all washed up their breakfast things, packed up their belongings, cleaned the dorms, bathrooms and canteen, before heading off to their morning activity. What a helpful and hard-working group of children. I am also particularly grateful to the staff who give lots of extra time to enable such trips to go ahead. Lots of photos have been shared on Class Dojo with Year 4, but here is a taster of some of their time.

Year 2 trip to the Natural History Museum

On Wednesday, Year 2 visited the Natural History Museum to deepen their learning about minibeasts (and held some hissing cockroaches). Here are some of the facts they shared about their learning on return:

- Minibeasts are very strong
- If minibeasts were not alive, we wouldn't be alive
- Minibeasts have three body parts that are head, thorax and abdomen
- Bugs are the most important animal in the whole universe
- Minibeasts do not have a backbone
- Some minibeasts have eyes on their antennae

Thursday 21st May lunch

Thursday is the school summer census day, so the kitchen are putting on a special 'Pasta Extravaganza!' There will be pasta with a choice of sauces (classic tomato and basil, beef bolognese, chicken & pesto) with garlic bread and 'confetti-spaghetti' sponge.

Waitrose tokens

Please remember to put some tokens in the St Andrew's box to secure our school some money. Windmill Primary also has a box, so the competition is on!

School Council charity appeal

Collect food for our local food bank!

We are asking you to bring in food that will be donated to our local food bank.

When we have collected all the food, we will create an interesting and unique design. This design will be photographed and sent to Cheney School.

Cheney school will judge our design against other schools.

All the food collected will be donated to our local food bank.

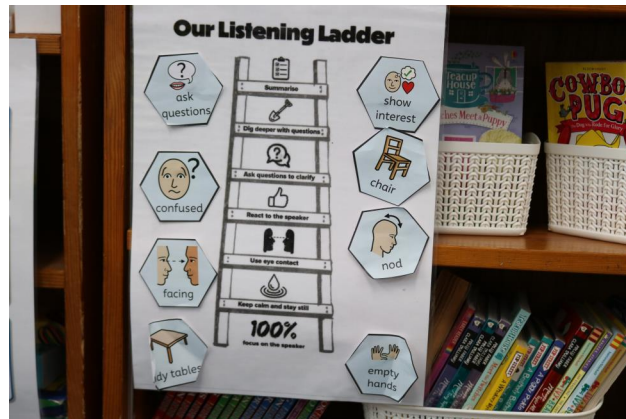

Deadline is Friday 15th May.

Conversation starters with your child

Oracy at St Andrew's

As a school, we have been working on oracy skills over the year. We enjoy seeing the results of this with clear speaking in celebration assemblies, church services, Big Science presentations and drama in class. Oracy is not just about the skills for articulation; it is also about good listening. Children will know about listening ladders from their classroom expectations. Why not see if they can teach you any skills they have learnt about how to be a good listener!

Coffee mornings

Every Thursday morning will be a coffee morning with Mrs Suzanne Walker. Feel free to pop in any time between 8.45 - 9.30am to meet other parents/ carers or to talk to Mrs Walker. The coffee morning will be held in the learning base - come to the school reception to be signed in.

Health, Safety and safeguarding

Health

This term's **Primary School Health Nursing Newsletter**

[Summer Term \(5\): Primary School Health Nursing Newsletter April 2026](#)

Information about sun safety, water safety, free eye tests and school aged immunisation service - amongst other things.

Safeguarding

Mrs Jo Holmes is our designated safeguarding lead and Mrs Mary Wright is our deputy designated safeguarding lead. If you ever have any concerns about the safety of a child, please do let us know.

Dates

Term dates for this academic year (2025-26) are available [here](#).

Below are some key dates which impact the whole school.

In addition, class letters will have specific dates for special events, visitors or trips for your child's class.

SASA Fun Run - POSTPONED TO SUNDAY 7th JUNE

Friday 22nd May - Term ends (3.15pm Reception/ 3.20pm Years 1-6)

Helpful information for parents/ carers

Parent/carer engagement:

At St Andrew's, we would love for every parent/carer to feel that they can engage with the school at the level at which they feel comfortable. For some this might mean becoming a governor; for others this might mean helping out at an event or being able to contribute financially.

SASA (St Andrew's School Association) is the parent/carer group of which every adult with a child in the school is automatically a part. Please can you take the time to complete this **brief survey about SASA** (St Andrew's School Association) so that the school can have a better understanding of how parents/ carers would like to be involved: [Parent/ carer engagement – Fill in form](#)

Fundraising:

As a school, we are extremely grateful to our parent body / SASA who look for ways to raise money for the school, through events such as the fun run, disco, film night etc - this all supports the wider learning opportunities, such as keeping our lovely library well-stocked, updating our play equipment, developing our music provision. In addition, as a school, we seek out opportunities for grants and free events/ trips, to enable all of our pupils to have a rich learning experience during their time at St Andrew's.

Sometimes families are unable to attend the fund-raising events but would still like to contribute to the school. For this reason, we have set up the following options:

1. A **QR code** found on our [website](#).
2. An **Amazon 'wish list'**: <https://amzn.eu/2DAkpvb>
3. **Cashback from Sainsburys and Argos** – signing up to the MySchoolFund. When someone signs up using our school code, the individual gets 2% cashback on spend in Sainsburys and Argos and the school gets 1% in eGift vouchers. Link to our school (use postcode OX3 9ED) on the My School Fund website. If this could work for you, please do sign up. Sign up today at www.myschoolfund.org Our school registration number : 29600

Eggs: Don't forget that eggs from our very own chickens are on sale in the office. The children looking after the chickens are keen to get this money, as we need it to buy food for the chickens!

Recycling opportunity

We are really pleased to see the success of the recycling box (via Collection4Clothes) for clothes and other items. For every kg collected, the school receives 40p and also Great Ormond Street Hospital received a donation: [Clothing Collections | Great Ormond Street Charity \(gosh.org\)](http://Clothing Collections | Great Ormond Street Charity (gosh.org))

Please bring items to the box in the school office foyer. The box will be emptied on a regular basis. So, there is no deadline - bring items along as suits you. The items should be in good condition - the sort that you would take to a charity shop.

Library books: If a book is overdue, a reminder comes from the librarian. If the book is lost or damaged, the cost of the book is on that overdue reminder slip. Replacing a book or sending in money to cover the cost of the book enables the library to remain well-stocked.

Toys: At St Andrew's we ask that children do not bring in toys and special items from home, as these items can be lost, which causes upset and tension between children when accusations arise as to who might have taken or broken an item.

Information about local events

1 - Oxford Hoops Basketball Club.

Oxford Hoop Basketball Club are looking for more girls from Years 5 and 6 so that when the teams split into separate girls and boys teams, the girls will still have enough players to make up a team. If you are interested in joining the club have a look at their website:- Oxfordhoops.co.uk for more information.

Sessions take place:-Saturday mornings 9:00am - 11:00am (7-11year olds)

Saturday mornings 11:00am to 13:00pm (11 - 14 year olds) Sunday afternoon 12:00pm - 2:00pm 1(10-11 year olds) and Friday evenings 7:00pm - 8:30pm (10-11 yr olds.

All sessions take place at Cheney School.

CENTRE *for* AUTISM WELLBEING HUB

Autistic Thriving at School and Beyond

As part of the University's centenary celebrations, we are hosting a free public hybrid (in person and online) event on the evening of 6 May on the theme of Autistic Thriving at School and Beyond.

Join us for an evening that brings together autistic children and young people, their families, students, professionals and researchers to explore what supports autistic children to flourish in education and everyday life.

The event will include talks from:

- **Professor Elizabeth McCrum, Pro-Vice Chancellor (Education and Student Experience) at the University of Reading**
- **Dr Fiona Knott and Dr Jo Billington, Wellbeing Hub project leads**
- **Andy Smith, founder of Spectrum Gaming, and a passionate advocate for young people's voices in education.**

For in person attendees, there will also be an opportunity to review a poster presentation of current autism research from academics and students in the School of Psychology and Clinical Language Sciences. Refreshments will be provided.

Wednesday 6 May

G10 lecture theatre,
Palmer Building,
Whiteknights Campus,
RG6 6EW

In person:
18:45–21:00

Online:
19:00–20:30 via
Microsoft Teams

For more details and to book your place, please visit our website research.reading.ac.uk/autism, or scan the QR code

FRIDESWIDE VOICES

Applications now open

We're looking for new singers who will be aged 7 in September to join Frideswide Voices, the girls' choir of Christ Church Cathedral in Oxford. No previous experience is necessary - just a love of singing!

Find out more and come to a free 'Be A Chorister For A Day' taster session on the 2nd of May:

CHRIST CHURCH
CATHEDRAL

Superheroes Save Planet Earth!

AUTUMN TERM ADVENTURE

From September to December, primary school children can become superheroes and join Supa Dupa on an action-packed mission to save the planet in this exciting **FREE** theatre-in-education workshop.

Through imaginative play, children travel to Party Land where they must outsmart the Bad Boppa and learn how to protect the Earth by reducing waste, reusing materials and recycling. This workshop supports communication and language, expressive arts, music, PSHE and English.

WHAT YOUR STUDENTS CAN EXPECT:

A 25-minute workshop led by a professionally trained, DBS-checked actor appearing in character as Supa Dupa, guiding pupils through a high-energy superhero adventure.

WHY YOUR SCHOOL WILL LOVE IT:

Classroom friendly – perfect for enhancing your current projects on the environment, sustainability or PSHE topics.

Imagination driven fun – students will be fully engaged, active and immersed in drama while learning key skills.

*"Jack was incredibly engaging and the children loved every second of the workshop!
It inspired our children to learn more about the environment."*

It is a volunteer run charity with an African education partner The Rafiki Thabo Foundation which supports underprivileged and SEND students in Kenya, Uganda and Lesotho. At the exhibition, there will be a chance to buy raffle tickets, order cards and prints and donate <http://www.youngartoxford.com/our-charity-partner.html>
<http://www.youngartoxford.com/>

WESTON LIBRARY EXHIBITIONS Bodleian Weston Library, Broad Street, OX1 3BG
These exhibitions are FREE to visit – you can pop in and look at just one section at a time – and go back for more. And enjoy the cafe's cakes....

PETS AND THEIR PEOPLE We have been domesticating animals for over ten thousand years. But why do we want tame wolves in our homes or wild cats on our laps? This exhibition explores the relationship between humans and their pets – or pets and their humans <https://visit.bodleian.ox.ac.uk/event/pets-and-their-people>

WONDER OF BIRDS Based on The Book of Birds by Jackie Morris and Robert Macfarlane - their third collaboration, following their internationally bestselling books of nature poetry and art, The Lost Words and The Lost Spells. The book, published on 7 May, brings together Morris's original illustrations and Macfarlane's writing to explore forty-nine bird species facing decline in the UK, reflecting on themes of loss, wonder and humanity's relationship with the natural world. <https://www.bodleian.ox.ac.uk/about/media/2026/mar/wonder-of-birds>

POOHSTICKS 2026 Sandford Lock, OX4 4YB

HILL END OUTDOOR EDUCATION CENTRE Eynsham Road, OX2 9NJ

CELEBRATING A CENTURY OF OUTDOOR LEARNING

(1) MEMORIES OF HILL END BLOG

With 2026 marking a century since the very first schools visited Hill End by charabanc from Oxford city, there is an exciting year planned; everyone who knows and loves Hill End is invited to get involved. One element is a collation of HILL END STORIES – a blog celebrating 100 years of outdoor learning. It is hoped to collect memories through the decades, with interesting and unusual things you might not know! Please add any stories you have, however short or vague and include photos if you have them <https://hill-end.org/about/stories> <https://hill-end.org/news/memory-bank/>

(2) FFENELL FESTIVAL Saturday 6 June 11.00-4.00

Named for the Ffennell family who bought the Wytham estate and founded the outdoor school for inner city children in 1926, later gifting the whole estate to Oxford University: a family outdoor activity day with live music, barbecue and cafe climbing wall – downhill racers – weaving and spinning – bushcraft – willow weaving – sun prints – Real Kingdoms – badge making – tracks and signs – pond dipping – WW1 practice trenches tour – Korky Paul and Winnie the Witch story telling with prizes
booking essential £9 adults £4 children <https://hill-end.org/news/ffennellfestival26/>

<https://courtside.uk/bury-knowle>

WIN £1,000 FOR YOUR SCHOOL'S LIBRARY

<https://www.nationalbooktokens.com/>

Nominate your school to #rebuildthelibrary with one of our five huge prizes. Plus, you could win a £100 National Book Token for yourself!

The National Book Tokens annual prize draw is back to give five schools across the UK and Ireland the chance to win £1,000 in National Book Tokens and fill their shelves with new and inspiring books.

Nominate a school using the online form <https://www.nationalbooktokens.com/schools-prizeform> and if yours is one of the five winning entries, you'll also win a £100 National Book Token yourself to spend in your favourite bookshop.

Plus: to celebrate the UK's National Year of Reading, even more prizes are on offer so that more schools – and more children – have a chance to enhance their libraries and Go All In on reading.

Each week until 24 June, there will be a flash winner – selected at random from all entries – to receive a £100 National Book Token for their school, and £25 for themselves!

🌸 The Headington Wildflower Trail 🌸

A Nature Adventure Through Old, New, and Quarry Headington
One bright spring morning, something magical began to bloom across Headington. Overnight, beautiful wildflowers appeared in hidden corners, parks, and pathways — not ordinary flowers, but special ones, each filled with colour, patterns, and tiny stories, inspired by the children of our community. 🌱
