

St Andrew's C of E Primary School 5th June

Everyone is different. Everyone is special. Everyone is our neighbour.

After the glorious sunshine over the half term holiday, this week seems to have had some quite dramatic weather. Despite hail and rain, we have been fortunate to have nearly all our break and lunch times outside, where the children continue to enjoy a range of physical activity. In the school, the children have settled well to their final term in their current year group.

This term will be a typically full term, with several opportunities for parents and carers to participate - the Fun Run, the Summer Fair, Sports days and (for our Year 6's) a play, leavers' service and leavers' assembly. Yesterday and today, there has been the wonderful Art Exhibition to enjoy, put together by Emma Clanchy (Year 6 teacher and Art lead). I hope you had the opportunity to visit, but if not, there are some photos below. Hope to see you at the Fun Run on Sunday!

SASA FUN RUN

Sunday 7th June 2026

Bury Knowle Park

Open to all year groups

REGISTRATION AT 11.45AM

RUN STARTS AT 12.00PM

KS1 RUN FOR 30 MINUTES, KS2 RUN FOR 1 HOUR

**Only cancelled in the event of very heavy rain
Medal for all participants who complete 3 laps
See letter and sponsorship form for more details**

Art Exhibition

Big Science celebration assembly

On the final Friday last half term, we celebrated all the wonderful Big Science projects of St Andrew's children. James Balkwin, a volunteer who has shared his scientific knowledge with many groups of children in the school, joined us to present the prizes; he had come earlier to the Big Science presentations to hear the groups talk about their investigations. Awards were presented to those highly commended, with third, second and first places to children in Years 4, 5 and 6. The highest award in the school is the Magnus Smyth trophy (donated by the parents of a ex-student who had a passion in Science and sadly died too young). This award was won by Maya and Keiya in Year 6.

Year 5 baseball

Year 5 have been enjoying several weeks of baseball in one of their PE lessons. Students from Magdalan College School have been coming in to support their learning and ability in this game. It has been very successful and lots of fun.

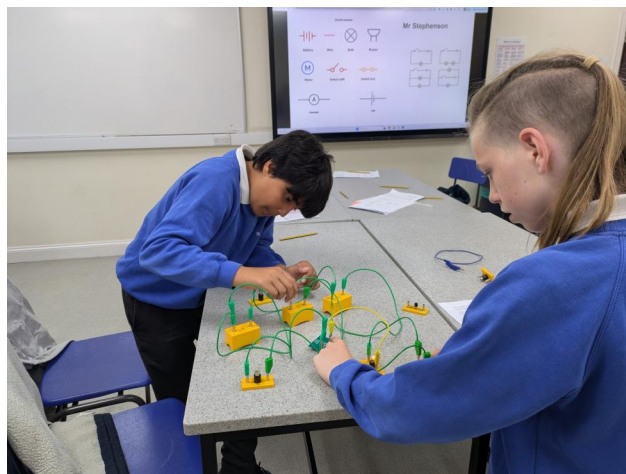

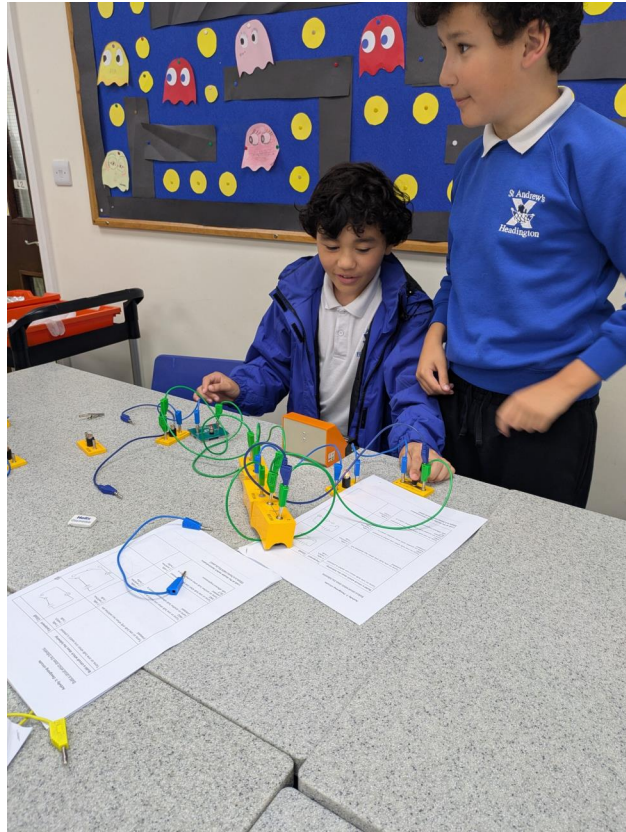

Year 6 electricity workshop

Year 6 had a an excellent Electricity Workshop morning at Headington Rye School with lots of hands on learning. The children learnt all they need to know to be secondary school ready!

Year 6 IMPS visit

Year 6 learnt a great deal during their IMPS trip on Tuesday morning, including how to stay safe in a range of scenarios, such as the importance of wearing a helmet when cycling. They also learnt about the use of DRS ABC - a first aid approach that stands for Danger, Response, Shout for help, Airway, Breathing and Circulation.

Waitrose tokens

Please remember to put some tokens in the St Andrew's box to secure our school some money. Windmill Primary also has a box, so the competition is on!

Concert at St Andrew's Church

Saint Andrew's Parish Church
Headington

In conjunction with the
Royal Academy of Music
Dogoda Wind Quintet

Saturday 13th June 2026
at 7.00 pm

Tickets £10 on the door
Concessions available

Conversation starters with your child

Hopefully your child was able to show you their art in the exhibition this week. See if they can tell you about the inspiration for their art - was it another artist's work? Was it something linked to their topic work? Maybe they can tell you about the style of art or medium used for their work. What do they enjoy about art and how does it make them feel?

Cheney upcoming events

['Nature Late' Festival, 2nd July, 6 - 8pm](#)

Nature Late will celebrate the world of nature on site at Cheney School through talks, workshops, stalls, activities and exhibitions. The schedule is as follows:

6 - 6.30pm - In Conversation with Roger Harrabin, previously BBC Environmental Analyst

6 - 8pm - Ecology Festival for all ages with a large range of science and nature-themed stalls and activities

8 - 11pm - Bat Night with Ben Carpenter from Bioscan UK

If you would like to attend any part of the event, please fill in [this form](#).

It is free and aimed at all ages. There will be live performances and refreshments as well as many stalls and activities, crafts, talks and workshops.

[Iris Classics Summer School, 17th - 19th August](#)

We are delighted to be offering our tenth annual Classics Summer School this August at the Iris Classics Centre at Cheney School in Oxford. It will take place on the mornings of 18th, 19th and 20th August. This year the summer school will be themed on the ancient star myths and astronomy.

The format for each day will be as follows:

9 – 10.30am – Latin (ages 7 – 9); Latin (ages 10 – 11); Greek (ages 7 – 9); Greek (ages 10 – 11)

10.30 – 11.15am – refreshments and activities

11.15 – 12.45pm – Latin (ages 7 – 9); Latin (ages 10 – 11); Greek (ages 7 – 9); Greek (ages 10 – 11)

The classes will be run by experienced teachers and will include activities as well as language learning. **They will all be aimed at complete beginners.** There will be themed activity stalls and refreshments between the morning classes.

Please visit the webpage [here](#) for more details and booking.

[Classics Creative Writing Cafe](#) & [Weekly Writing Nook](#)

The Iris Project runs a monthly Classics and Creative Writing Cafe, and also a weekly Writing Nook.

The cafe is a relaxed and informal opportunity to come and share ideas, have a go at writing, or just relax and read and chat in a beautiful setting. Each session has a different classical theme as a prompt if people want to have a go at writing while there. All genres are welcome!

The cafe is usually held once a month at St Alban's Church in Charles Street, Oxford from 2 until 4pm. There are hot and cold drinks and snacks available (we welcome donations towards refreshment costs).

The next date will be **Saturday 6th June, 2 – 4pm** – Hector and Achilles (book 22 of Homer's Iliad)

The cafe is aimed at ages 14 + to adult, and is run by Iris director Dr Lorna Robinson (author of novels [Hamadryad](#), [The Birder](#) and [Flower Gatherers](#), and short story collection [Telling Tales in Nature](#)). Please contact her on lorna@irisproject.org.uk if you have any questions about the cafe.

You can attend as a one off or regularly – please book using the email address above.

We also run a weekly writing space with a classics library – find out more [here](#).

Coffee mornings

Every Thursday morning will be a coffee morning with Mrs Suzanne Walker. Feel free to pop in any time between 8.45 - 9.30am to meet other parents/ carers or to talk to Mrs Walker. The coffee morning will be held in the learning base - come to the school reception to be signed in.

Health, Safety and safeguarding

Safety

Spending time near water can be fun, especially in warm weather, but open water can be dangerous even if you are a strong swimmer. Rivers, lakes, canals, quarries and reservoirs can be much colder than they look, with hidden hazards and strong currents.

- Do not jump, dive or swim in open water unless it is a supervised, designated place.
- Never go near water alone - stay with friends and make sure someone knows where you are.
- Be aware that cold water shock can affect anyone, even strong swimmers, and can make it hard to breathe or move.
- Rivers, canals and lakes may have hidden dangers under the surface such as rocks, rubbish, weeds, fishing line or sudden drops.
- Do not take risks to impress others, including dares, bridge jumps or entering the water for social media content.
- If you fall in, try to stay calm, float on your back, keep your airway clear and control your breathing.
- If you see someone in trouble, call 999 or 112, shout for help, and throw something that floats. Do not go in after them.
- If possible, choose supervised swimming venues or pools instead of unsupervised open water.

Remember: Enjoy the good weather, look out for your mates, and stay safe around water.

Safeguarding

Mrs Jo Holmes is our designated safeguarding lead and Mrs Mary Wright is our deputy designated safeguarding lead. If you ever have any concerns about the safety of a child, please do let us know.

ALWAYS FOLLOW THE WATER SAFETY CODE

Whenever you are around water:

STOP AND THINK STAY TOGETHER

Take time to assess your surroundings.
Look for the dangers and always research local signs and advice.

When around water always go with friends or family.
Swim at a lifeguarded venue.

In an emergency:

CALL 999

If you are at the coast, call 999 and ask for the Coastguard.
Don't enter the water to rescue.

FLOAT

Fall in or become tired - stay calm, float on your back and call for help.
Throw something that floats to somebody that has fallen in.

Enjoy Water Safety | Free From Drowning

Learn more about water safety.
Scan the QR code

Dates

Term dates for this academic year (2025-26) are available [here](#).

Below are some key dates which impact the whole school.

In addition, class letters will have specific dates for special events, visitors or trips for your child's class.

Friday 5th June, 8.40 - 9.00am Art Exhibition in school hall

Sunday 7th June - Fun Run (registration at 11.45am, run starts at 12pm)

Monday 8th - Friday 12th June - Year 6 to Woodlands residential

Monday 8th - Friday 12th June- Year 1 phonics screening & Year 4 Multiplication Tables Check

Monday 15th June 4.00pm - New Reception (Sept 2026) garden visit

Wednesday 17th June 6.30pm - Festival of Voices at Dorchester Abbey

Thursday 18th June 4.00pm - New Reception (Sept 2026) garden visit

Wednesday 24th & Thursday 25th June - Class teacher meetings for parents of children with SEND

Friday 17th July - Leavers' assembly at school

Friday 17th July - Term finishes 1.15pm (Reception), 1.30pm (Years 1 - 6)

Helpful information for parents/ carers

Parent/carer engagement:

At St Andrew's, we would love for every parent/carer to feel that they can engage with the school at the level at which they feel comfortable. For some this might mean becoming a governor; for others this might mean helping out at an event or being able to contribute financially.

SASA (St Andrew's School Association) is the parent/carer group of which every adult with a child in the school is automatically a part.

Fundraising:

As a school, we are extremely grateful to our parent body / SASA who look for ways to raise money for the school, through events such as the fun run, disco, film night etc - this all supports the wider learning opportunities, such as keeping our lovely library well-stocked, updating our play equipment, developing our music provision. In addition, as a school, we seek out opportunities for grants and free events/ trips, to enable all of our pupils to have a rich learning experience during their time at St Andrew's.

Sometimes families are unable to attend the fund-raising events but would still like to contribute to the school. For this reason, we have set up the following options:

1. A **QR code** found on our [website](#).
2. An **Amazon 'wish list'**: <https://amzn.eu/2DAkpvb>
3. **Cashback from Sainsburys and Argos** – signing up to the MySchoolFund. When someone signs up using our school code, the individual gets 2% cashback on spend in Sainsburys and Argos and the school gets 1% in eGift vouchers. Link to our school (use postcode OX3 9ED) on the My School Fund website. If this could work for you, please do sign up. Sign up today at www.myschoolfund.org Our school registration number : 29600

Eggs: Don't forget that eggs from our very own chickens are on sale in the office. The children looking after the chickens are keen to get this money, as we need it to buy food for the chickens!

Recycling opportunity

We are really pleased to see the success of the recycling box (via Collection4Clothes) for clothes and other items. For every kg collected, the school receives 40p and also Great Ormond Street Hospital received a donation: [Clothing Collections | Great Ormond Street Charity \(gosh.org\)](https://www.gosh.org)

Please bring items to the box in the school office foyer. The box will be emptied on a regular basis. So, there is no deadline - bring items along as suits you. The items should be in good condition - the sort that you would take to a charity shop.

Library books: If a book is overdue, a reminder comes from the librarian. If the book is lost or damaged, the cost of the book is on that overdue reminder slip. Replacing a book or sending in money to cover the cost of the book enables the library to remain well-stocked.

Toys: At St Andrew's we ask that children do not bring in toys and special items from home, as these items can be lost, which causes upset and tension between children when accusations arise as to who might have taken or broken an item.

term 6 – letter 1

HILL END OUTDOOR EDUCATION CENTRE CELEBRATING A CENTURY OF OUTDOOR LEARNING

Eynsham Road, OX2 9NJ

(1) FFENNELL FESTIVAL Saturday 6 June 11.00-4.00

Named for the Fennell family who bought the Wytham estate and founded the outdoor school for inner city children in 1926, later gifting the whole estate to Oxford University: a family outdoor activity day with live music, barbecue and café climbing wall – downhill racers – weaving and spinning – bushcraft – willow weaving – sun prints – Real Kingdoms – badge making – tracks and signs – pond dipping – WW1 practice trenches tour – kOrky Paul and Winnie the Witch story telling with prizes

booking essential £9 adults £4 children

<https://hill-end.org/news/ffennellfestival26>

(2) MEMORIES OF HILL END BLOG

With 2026 marking a century since the very first schools visited Hill End by charabanc from Oxford city, there is an exciting year planned; everyone who knows and loves Hill End is invited to get involved. One element is a collation of **HILL END STORIES** – a blog celebrating 100 years of outdoor learning. It is hoped to collect memories through the decades, with interesting and unusual things you might not know! Please add any stories you have, however short or vague and include photos if you have them <https://hill-end.org/about/stories> <https://hill-end.org/news/memory-bank/>

OXFORD UNIVERSITY'S GARDENS & MUSEUMS

<https://www.glam.ox.ac.uk/whats-on>

RELAXED MORNING

Saturday 6 June 10.00-11.00

Museum of Natural History, Parks Road, OX1 3PW

Relaxed morning openings allow visitors to experience the Museum of Natural History and Pitt Rivers Museum early in the day, when the buildings are quiet. The museums open an hour early to welcome visitors who may struggle in the museums at peak times. The number of visitors is capped, which reduces ambient noise levels and how full the space is. The relaxed morning openings are designed for visitors who may benefit from a calmer environment, including those on the autism spectrum, have additional learning needs or sensory and communication difficulties, and anyone who feels they would benefit from this session. Family members are welcome to support the visit.

Extra quiet spaces are also available during the opening. You will be able to visit both the Museum of Natural History and the Pitt Rivers Museum during this session.

To book, click on the link in <https://oumnh.ox.ac.uk/event/relaxed-morning-opening-0>

THE POWER OF VOLCANOES – a talk

Museum of Natural History, Parks Road, OX1 3PW

Saturday 6 June

Have you ever wondered what makes a volcano erupt? Or what different types of rocks volcanoes make? Join University of Oxford volcanologists Professor Tamsin Mather and Professor David Pyle and discover the secrets of volcanoes, as you explore their new book Think Big: The Power of Volcanoes! Published in collaboration with the University of Cambridge, you'll uncover the science behind eruptions, the different types of volcanoes around the world and the daring work of volcanologists who study these fiery giants up close, in a family friendly event that's not to be missed!

Suitable for ages 7-11 Related activities will be taking place in the Main Court from 10.30-1.00.

FREE but book a place at <https://oumnh.ox.ac.uk/event/the-power-of-volcanoes>

NATURE FESTIVAL

Saturday 27 June 10.00-5.00

Museum of Natural History, Parks Road, OX1 3PW

Celebrate nature as OUMNH hosts Oxford's Nature Festival with stalls, talks, walks, films, music and art and craft activities all day, discover how people and organisations are studying, supporting and gaining inspiration from nature across Oxfordshire and beyond

OUT OF THE DEEP Saturdays 11.00-1.00

WESTON LIBRARY EXHIBITIONS

Bodleian Weston Library, Broad Street, OX1 3BG

These two exhibitions are WONDERFUL and FREE to visit – you can pop in and look at just one section at a time – and go back for more. And enjoy the café's cakes....

PETS AND THEIR PEOPLE We have been domesticating animals for over ten thousand years. But why do we want tame wolves in our homes or wild cats on our laps? This exhibition explores the relationship between humans and their pets – or pets and their humans <https://visit.bodleian.ox.ac.uk/event/pets-and-their-people>

WONDER OF BIRDS Based on *The Book of Birds* by Jackie Morris and Robert Macfarlane – their third collaboration, following their internationally bestselling books of nature poetry and art, *The Lost Words* and *The Lost Spells*. The book, published on 7 May, brings together Morris's original illustrations and Macfarlane's writing to explore forty-nine bird species facing decline in the UK, reflecting on themes of loss, wonder and humanity's relationship with the natural world. <https://www.bodleian.ox.ac.uk/about/media/2026/mar/wonder-of-birds>

STORY MUSEUM

42 Pembroke Street, OX1 1BP

LISTEN TO THIS STORY! FROM HISTORY TO OUR STORY

NEW pop-up exhibition 6 June-17 July – with some closure days A time-travelling pop-up that explores how Black lives have been pictured, imagined and celebrated in children's books – from the days of abolition to the stories on today's shelves. Discover hidden histories, meet the storytellers who shaped generations, and encounter today's story heroes. <https://www.storymuseum.org.uk/whats-on/listen-to-this-story-from-history-to-our-story>

ALICE'S DAY Saturday 4 July throughout Oxford

Oxford's city-wide celebration of all things Alice in Wonderland is back and the theme for 2026 of **SNARKS, RHYMES & RIDDLES!** – a fabulous day of delight marking the 150th anniversary of Lewis Carroll's nonsense poem *The Hunting of the Snark*. Prepare to step through the looking glass and discover the world of Alice brought to life at this very special one-day festival, bringing together a whole host of wonderful activities.

Plus, it's half price entry to The Story Museum for everyone on Alice's Day so don't forget to book your Museum tickets too! <https://www.storymuseum.org.uk/whats-on/alices-day-2026>
