

St Andrew's C of E Primary School 18th September

Everyone is different. Everyone is special. Everyone is our neighbour.

Term feels well underway now, with classes settled and learning progressing. The Year 6s have stepped into their roles and responsibilities competently: they are getting to know the Year 1s and 2s whom they support during their lunchtime in the canteen; they are proving to be excellent library helpers, staff supporters and chicken monitors. There is a real sense of working together and friendship across the years in St Andrew's. A special moment in the first week, was older children reading with younger children in the hall, whilst the parents/carers had their 'meet the teacher' time.

International Evening - TODAY!

We are excited about the International Evening happening later today (6.00 - 7.30pm). We look forward to seeing as many families as can make it.

Gamelan

We love music at St Andrew's school and are proud that we have a gamelan in our hall!

We believe that every child should be able to learn an instrument during their time at St Andrew's, which is why there are whole class violins in Year 3 and whole class brass in Year 5. These lessons have started, alongside whole class Gamelan in Year 4. Here are the children starting to learn this unique Indonesian instrument.

Reception places for September 2027

We know the new school year has just begun, but this is also the term when parents/ carers are looking at schools for next academic year.

We will soon be offering tours of St Andrew's for Reception places for September 2027. Please do share the link on the website for any parents/ carers interested in a tour: [St Andrew's Church of England Primary School, Oxford - Home](#) (bottom of the page)

Library

Library Book Replacement Fee

A library book replacement fee has been added to ParentPay for all pupils. However, payment is only required if you receive a letter from the school librarian confirming that a replacement charge is applicable.

Please do not make a payment unless you have received this notification. The replacement cost for a lost or damaged library book is £8.00.

Health, Safety and safeguarding

Important: Please Check Your Child's Information on MCAS

Please ensure that your child's **medical and dietary information** is up to date on **MCAS (My Child At School)**. This can be found under the **Medical/Dietary** section on MCAS.

It is essential that we are informed of any dietary requirements relating to **allergies**. Our catering provider, Edwards & Ward, requires a separate dietary form to be completed for allergies and food intolerances, such as milk-free or egg-free diets, to ensure food is prepared safely.

It is also very important that we are aware of any dietary requirements related to **religious beliefs**, for example halal or no pork. Please note that the school offers a halal menu.

In addition, please check and confirm your **photo permissions** on MCAS.

Thank you for your support in helping us keep our records accurate and ensure the safety and wellbeing of all pupils.

The Iris Project is organising the following free event:

Victorian Festival - Rumble Museum at Cheney School, Oxford

Thursday 22nd October, 3.30 - 5.30pm

The Rumble Museum at Cheney School is delighted to announce our Victorian Festival!

The festival will include a wide range of performances, stalls, activities and workshops themed on the Victorian era, and aimed at all ages. Highlights include a Blacksmith Forge, Walking Forest Suffragettes, Penny Farthings and Victorian Magic Shows. There will be a number of local museums and organisations, as well as creative activities and stalls run by Cheney's Museum Council students.

There will be three repeated Victorian Magic Shows at 3.05pm, 4pm, and 5pm.

The event is free and aimed at all ages. To book places, [please fill in this form](#).

Please email lro@cheneyschool.org with any questions. There is a webpage for the event [here](#).

The poster for Cheney School's Open Events 2026 features three circular images at the top: a basketball game, students working together, and a student playing a keyboard. The Cheney School logo, featuring a lion and the motto 'Think for yourself; act for others', is also present.

 RMT RIVER LEARNING TRUST

Bury Knowle event

We're hosting a Photo Fun Day at Courtside Bury Knowle on Sunday 20 September, 1–3pm & Wednesday 23rd, 4-6pm, we'd love you and your family to join us.

It's a chance to come and enjoy our multi-activity hub - from table tennis and basketball to mini golf, tennis and more - with free activity sessions and refreshments on us. We're creating a new promotional video for the hub, so in exchange for taking part, we'll be filming and capturing photography throughout the event.

To take part, please book your chosen activities:

Sunday 20th - [Book coaching - Courtside at Oxfordshire](#)

Wednesday 23rd - [Book coaching - Courtside at Oxfordshire](#)

By booking yourself or your child onto an activity and attending the event, you are providing consent for Courtside to use any video or photography captured on the day for future promotional purposes, including online, in print, and in video campaigns. Please ensure you have the authority to give consent on behalf of any children you book onto activities.

We're really looking forward to welcoming you for an afternoon of fun at the hub.

Best wishes,

Courtside at Bury Knowle

Helpful information for parents/ carers

Parent/carers engagement:

At St Andrew's, we would love for every parent/carers to feel that they can engage with the school at the level at which they feel comfortable. For some this might mean becoming a governor; for others this might mean helping out at an event or being able to contribute financially.

SASA (St Andrew's School Association) is the parent/carers group of which every adult with a child in the school is automatically a part.

Fundraising:

As a school, we are extremely grateful to our parent body / SASA who look for ways to raise money for the school, through events such as the fun run, disco, film night etc - this all supports the wider learning opportunities, such as keeping our lovely library well-stocked, updating our play equipment, developing our music provision. In addition, as a school, we seek out opportunities for grants and free events/ trips, to enable all of our pupils to have a rich learning experience during their time at St Andrew's.

Sometimes families are unable to attend the fund-raising events but would still like to contribute to the school. For this reason, we have set up the following options:

1. A **QR code** found on our [website](#).
2. An **Amazon 'wish list'**: <https://amzn.eu/2DAkpvb>
3. **Cashback from Sainsburys and Argos** – signing up to the MySchoolFund. When someone signs up using our school code, the individual gets 2% cashback on spend in Sainsburys and Argos and the school gets 1% in eGift vouchers. Link to our school (use postcode OX3 9ED) on the My School Fund website. If this could work for you, please do sign up. Sign up today at www.myschoolfund.org Our school registration number : 29600

Eggs

Don't forget that eggs from our very own chickens are on sale in the office. The children looking after the chickens are keen to get this money, as we need it to buy food for the chickens!

Toys

At St Andrew's we ask that children do not bring in toys and special items from home, as these items can be lost, which causes upset and tension between children when accusations arise as to who might have taken or broken an item.

{JAM} CODING

GAME DESIGN

FROM 2D GAMES TO RETRO CLASSICS

LONG-TERM AFTER SCHOOL CLUB

St Andrew's CoE Primary School - Game Design and Retro Gaming

In this extended program, children will first dive into GAME DESIGN, learning to code and create their very own 2D computer games. They'll design interactive animations, work in teams, and develop problem-solving and logical thinking skills.

The club will then shift to RETRO GAMING, where children will design and code classic games such as Pong!, Asteroids, Space Shooter, and Doodle Jump.

Teams will create maps, characters, and game code, then test their skills in friendly competitions to see who can beat their friends at their own games!

This exciting combination of workshops fosters creativity, teamwork, and coding skills, all while making learning fun. At the end of the term, every child will receive a certificate, and one team will be awarded a trophy!

FAMILY SHOWS AUTUMN 2026

M6 Theatre presents

ALL THE SMALL THINGS

Saturday 24 October 11am and 2pm

Deep in the woods, in the middle of nowhere, lives the Story Collector. Drawers, cabinets and cupboards brim with baddies and goodies, hopes and wishes, once upon a time and far, far away. A magical place of possibilities. On the turn of the snow globe, the enchantment begins...

M6 Theatre's trademark beautiful design and heartwarming storytelling combine with singing, puppetry, and physical comedy in this brand-new spin on fairytales.

AGES 4+

Sonrisa Arts presents

DANCE IN THE DARK

Wednesday 28 October 1pm & 3pm

Come in your favourite PJs for a slumber party in a giant sleepover den and a playful night-time adventure. As darkness descends, giggle as we get ready for bed, explore spooky shadows, listen to night-time sounds, and feel the wind and rain on our faces.

Discover the magic of the dark, whirl and twirl, catch a shooting star and learn to be brave at bedtime.

Co-created with children, this beautiful new show is a dreamy multi-sensory feast that gently introduces little ones to the magic and wonder of theatre.

MOX MUSEUM OF OXFORD Oxford Town Hall, St Aldate's, OX1 1BX
SOUNDS OF THE CITY a new exhibition open until March 2027
From indie rock to electronic, folk to reggae, and classical to punk, Oxford was home to a vibrant grassroots music scene in the 90s. The spirit of this multi-genre scene has had an enduring impact on both local and worldwide stages. Sounds of the City is an exhibition of objects, memorabilia, and stories celebrating Oxford's music scene in the 90s and beyond. The exhibition highlights iconic bands, gigs, grassroots venues, festivals, and record labels that all energetically shaped Oxford's sound. Marking 30 years since BBC Radio 1 Sound City Oxford in 1997, the exhibition revisits pivotal moments in the city's musical journey – from Ride's breakout as 'shoegaze' progenitors, to Supergrass' seminal album *I Should Coco* in 1995, and to Radiohead's epic hometown show at South Park in July 2001.
There's an also a programme of live music and walks :

LIVE AND LOCAL Friday 2 October 7.00 To kick off the Sounds of the City: LIVE events programme, there's a welcome to Mick Quinn's DB Band and Emma Hunter, featuring stripped-back performances from these two stars of the local music scene.
Tickets cost £10 (or £8 pay a little less; £12 pay a little more) which includes free entry to the museum and the Sounds of the City exhibition. Doors open at 6.30pm, with a chance to explore the museum before the performances start promptly at 7.00 pm.

THE BODLEIAN WESTON LIBRARY Broad Street, OX1 3BG
PETS AND THEIR PEOPLE closes on Sunday 27 September – do catch it if you haven't already!
About the exhibition We have been domesticating animals for over ten thousand years. But why do we want tame wolves in our homes or wild cats on our laps?
This exhibition explores the relationship between humans and their pets – or pets and their humans.

Pets & their People draws on depictions of pets in stories, imagery and poetry in the Bodleian's collection – from one of the earliest recorded depictions of an assistance dog for the blind to a rare copy of Alice's Adventures in Wonderland that has never been displayed in the UK before. The exhibition asks how the special bond between owners and their pets has evolved over time, and what that evolution tells us about who we really are.
Are we taming our pets, or are they bringing us back to our wild roots?
