

English

This half term we will be reading 'The Magic Finger' by Roald Dahl. We will be exploring the book through drama and role play as well as writing persuasive letters and stories. We will look at subordination in sentence types and expanded noun phrases as well as other revising other grammar concepts we have previously covered.

Maths

In Maths, we will cover **statistics** and **data**, focussing specifically on tally and block charts as well as pictograms. We will then look at **position** and **direction**, learning about rotation. We will finish the year with revision of all topic areas covered so far this year.

PSHE & Science

We will be learning about what keeping healthy means and different ways to keep healthy.

We will find out how **physical activity** helps us to stay healthy and ways to be physically active every day. We will learn why sleep is important and think about different ways to rest and relax. We will learn about different ways to learn and play, recognising the importance of knowing when to take a break from screens.

We will learn about **foods** that support good health and the risks of eating too much sugar. We will learn about simple **hygiene** routines that can stop germs from spreading. We will learn how to keep safe in the sun and protect our skin from **sun damage**.

We will find out about the people who help us to stay physically healthy, including dentists and doctors. We will learn about **dental care** and **medicines**.

RE

This term we will explore the question: **How should you spend the weekend?** Through this question, we will learn about the practice of observing Shabbat and the implications for Jewish believers and children.

Music

In our Charanga unit this half term (Reflect, Rewind, Replay) we will review all the songs and learning that we have covered so far this year.

History

We will learn about Florence Nightingale, from her upbringing to her decision to train as a nurse, her time in the Crimean War and the books she published later in her life. We will think about how and why she is remembered today.

We will also learn about Kofoworola Pratt, a Nigerian nurse who trained in the UK and worked for the NHS. We will learn about her return to Nigeria and her impact on nursing in Nigeria through her university course for training nurses. We will compare her life to Florence Nightingale's and learn about how both women were determined to make a difference.

Year 2

Summer 2 2023

Brave Nurses

D&T

We will use simple utensils to peel, cut, slice, squeeze, grate and chop safely. We will select from a range of fruit and vegetables according to their characteristics (e.g. colour, texture and taste) to **create** a salad. We will learn how to work **hygienically** in the kitchen. We will shop for our food on a budget.

Computing

We will begin to understand that sequences of commands have an outcome and make predictions based on our learning. We will use and modify designs to create Our own quiz questions in Scratch Jr and realise these designs in Scratch Jr using blocks of code. Finally, we will evaluate our work and make improvements to their programming projects.

PE

For indoor PE, we will follow the REAL PE scheme and we will be looking at **agility** and **balance**.

For outdoor PE, we will be looking at **Athletics** and will be preparing for Sports Day.
